

# SUPPORT FOR YOUR ENTIRE FAMILY

## **Bright Horizons Family Solutions**

Clearway Energy is pleased to announce the Bright Horizons Family Solutions program accessible after January 1, 2019 — offering your family high-quality back-up child and adult/elder care, plus access to regular caregivers, pet care, tuition discounts, and more.

### **Bright Horizons Back-Up Care**

- High-quality replacement care will provide employees with 10 days of care for your child or adult/elder relative when regular arrangements fall through.
- You will be able to get immediate access to family care for all ages throughout the U.S. — center-based care will be \$15 per child per day (maximum of \$25 per family per day) and in-home care will be \$6 per hour, up to three care recipients per one caregiver.
- You will be able to reserve care up to 30 days in advance, or on the actual day care is needed.\*

### **Bright Horizons Additional Family Supports**

- Free access to a comprehensive database of caregivers
- Find nannies and sitters for evening/weekend care
- Access elder care resources, planning, and referrals
- Find pet sitters, dog walkers and groomers
- Discounts and preferred enrollment at a national network of child care centers

*\*You must be registered in advance to use Back-Up Care. Registration information will be available as of January 1, 2019.*
