

Learn more about your annual Be Well Benefit

Your Unum plan pays a Be Well Benefit for one Be Well screening each year.

With Unum’s Be Well Benefit, you and other covered family members can receive a valuable incentive for important tests and screenings. Many of these tests are routinely performed, so it’s easy to take advantage of this benefit.

Your Critical Illness Be Well benefit is tied to the coverage amount you choose. For instance, if you choose a coverage amount of \$10,000, your Be Well benefit will be \$50. A coverage amount of \$30,000 will have a Be Well benefit of \$100.

BE WELL SCREENINGS

- Annual exams by a physician including sports physicals and well-child visits, dental and vision exams
- Cancer screenings including pap smear, colonoscopy
- Cardiovascular function screenings
- Cholesterol and diabetes screenings
- Imaging studies, including chest X-ray, mammography
- Immunizations including HPV, MMR, tetanus, influenza
