

Register and Reserve Back-Up Care on the Mobile App

Whether you're on-the-go and your caregiver cancels, or you're just looking for an easier way to register for and reserve back-up care, the **Bright Horizons®** Back-Up Care app has you covered.

With the app, you can:

- Easily register for back-up care using your employer's credentials
- Schedule care faster by copying a previous care request
- See which centers have availability for your requested time and book instantly
- Stay updated with notifications confirming and reminding you of care dates
- Use the camera to upload forms to your care profile
